

Data protection information:

Data processing is the responsibility of Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH.

Address: Friedrich-Ebert-Allee 32 + 36, 53113 Bonn info@giz.de

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH attaches great importance to responsible and transparent management of personal data. In general GIZ processes personal data exclusively in accordance with the EU General Data Protection Regulation ([GDPR](#)) and the [German Federal Data Protection Act \(Bundesdatenschutzgesetz, BDSG\)](#).

When you visit the GIZ website, small text files known as ‘cookies’ are stored on your computer. They are used to make the online presence more user-friendly and effective overall.

The IP address is a technical requirement for transferring the data. The IP address is processed anonymously and will not be stored.

When you are using our registration service it is necessary to enter personal data for further processing. As mentioned above your personal data will be stored and processed by GIZ GmbH and its subcontractor **Wilde Beissel von Schmidt GmbH** for the purpose of preparing and holding the event, for which you register, and will be forwarded to the hosting organisations – the Federal Foreign Office and, if applicable, the cooperation partners mentioned in the invitation. The legal basis for this is Article 6(1) b of the GDPR (General Data Protection Regulation).

Furthermore, your data will then be stored and processed in order to provide information about future events. The legal basis for this is Article 6(1) e of the GDPR (General Data Protection Regulation).

The following personal data are collected: Title, Academic Title, First Name, Last Name, Position, Institution, Country and Email. These data are transferred to a server located in Germany via a SSL (Secure Sockets Layer) connection. After registering on this website, you will receive a confirmation of registration via email, as well as further information regarding the conference, if necessary. Your personal data will be stored for the duration of the conference, which includes its planning, organization, realization and follow-up. The registration technology used ensures the protection of personal data. Access to your personal data is restricted to authorized staff - i.e. our staff in charge of the technical, financial and editorial handling of the server.
